Artifact: 009.1 Profession 5 year goals

Describe: Describe the findings for all of the activities.

Analyze: a. The importance of my goals encompass the difficulties that currently exist. Empowering parents with knowledge to effectively participate in their child’s education.
b. My desired position as a future independent contractor will enable me to fulfill this mission.
c. My experiences and previous knowledge has been enhanced by my research in the case studies I have reviewed.

Appraise: My findings are very beneficial because partnerships with the parent, school and community need to be improved.

Transform: a. Insights I have gained include a heightened awareness of due process implications.
b. My future plans are directly on target with the need to increase parent involvement.
